

Statutory Role of MHB Duties and Responsibilities

According to 71-905, “mental health board” means a board created under section 71-915.

Synopsis of NRS Sec. 71-915

Subsection 1

Creation

The presiding judge in each district court judicial district shall create at least one but not more than three mental health boards in such district and shall appoint sufficient members and alternate members to such boards. Terms are for 4 years but the presiding judge may remove members/alternates at his discretion.
